

REMEMBERING

# YVONNE CRITTENDON

Graced this world with her loving presence as a Beautiful Rose in the Garden of Life from August 20, 1954 until

July 10, 2004. Yvonne was a loving, devoted Wife and Mother of three beautiful children Shakita, Michael and Miguel (who preceded her in death).

She was an Affectionate, Nurturing Woman who sacrificed her life, her time and energy for her family, nieces, and nephews to ensure to that we all had a good education, adequate nourishment, clothing and lived a balanced life. Mom was our

Superhero who Prevailed against all odds of domestic violence to receive her Associates Degree at Wayne Community College while being married and raising three children.

We honor our mother dearly and we attribute a great part of our faith, strength, resilience, and generosity to our mother, Yvonne Crittendon, a Phenomenal Woman. Mom was a Living Testimony of how to overcome while demonstrating Agape Love, Generosity, and Forgiveness to others while pursuing her Destiny in Life against all odds. She was the epitome of God's divine love.
