## Successful Parenting

- ☑ **TEACH YOUR CHILD THAT THEY ARE A UNIQUE DESIGN**  
Your child's personal worth should come from you teaching them of the unique workmanship in their life.
- ☑ **TEACH THE PRINCIPALS OF AUTHORITY**  
Establish your role of authority as a parent.
- ☑ **HELP TO DEVELOP MEEKNESS**  
Teach your child to respect the rights and property of others.
- ☑ **TEACH THE IMPORTANCE OF A FORGIVING SPIRIT**  
Your child must learn to forgive others who irritate or offend.
- ☑ **TEACH TO ACKNOWLEDGE WHEN THEY ARE WRONG**  
Teach your child to verbally acknowledge when to those he has wronged.
- ☑ **DEVELOP A DESIRE FOR RIGHT LIVING**  
Expose your child to right living in order to develop sensitivity to evil.
- ☑ **TEACH TO STAND ALONE ON THE SIDE OF RIGHT**  
Teach the importance to stand for right, even when one must stand alone.

It is imperative that parents realize that the natural inclinations in a child are to violate the basic principles of life. Although you have taught your child appropriate behavior during his younger years, as a teen it has become their goal to determine if you have been honest and truthful with him in that teaching. Their goal is to challenge your belief system to determine if it is has worked for you.
