

# Notes from the Gold Mine

by Sandra Gool, RN

I was looking at old photos and thought how different I look and how different my life is now. I'm sure you've had the same thought. Some of us say, "I'm in a good place." While others ask, "where did things go wrong?"

The 'place' we find ourselves can be due to several things, finances; health; life choices, good and bad. Sometimes, there is no reason at all. . .

I don't know where you are, but I do know you are not alone.

Psalms 139:7-10 tells us there is no place we can go that the Lord will not be there with us. He is **Emmanuel, God with us, forever, no matter where we find ourselves.** (Matthew 1:23).

The Lord told Joshua that He would be with him just as He was with Moses. **Emmanuel.** (Joshua 1:5)

The Lord was with Daniel and the 3 Hebrew Boys in the fiery furnace. **Emmanuel.** (Daniel 3:25)

Jesus became flesh and lived among us.

And before Jesus left the earth, He said Lo, "I am with you always." Emmanuel. (Matthew 28:20)

The Lord knows where you are, and what you are going through. It's so personal, He has your name engraved in the palm of His hand. (Isaiah 49:16) And He wants us to say **God with me.**

**So, while you're sitting with the Lord, tell Him all about your troubles. And then, tell your troubles all about your God!**

Cancer needs to know that our God is a Healer. God sent his word (Jesus) to heal us. (Psalms 107:20)

Diabetes needs to know that if we taste the Lord, we will see that He is good. (Psalms 34:8) His word is worth more than our necessary food. (Job 23:12), and His word is sweeter than the honey. (Psalms 119: 103)

Mental Illness and depression need to know that God gave us a sound mind. (2 Timothy 2:7)

**So remember, you are always in the right place with **EMMANUEL-God with us!****

**God Almighty Christian Community Services is praying for you! Please remember to pray that others will know the love of God through Jesus Christ.**
