It is Important to Understand Time!

Doing the right thing at the right time is important. It can make life go smoother for you, and those around you. In Proverbs the Word of God provides information to understand about time and life.

There is a right time for everything, and everything on earth will happen at the right time.

² There is a time to be born and a time to die.

There is a time to plant and a time to pull up plants.

³ There is a time to kill and a time to heal.

There is a time to destroy and a time to build.

⁴ There is a time to cry and a time to laugh.

There is a time to be sad and a time to dance with joy.

⁵ There is a time to throw weapons down and a time to pick them up.

There is a time to hug someone and a time to stop holding so tightly.

⁶ There is a time to look for something and a time to consider it lost.

There is a time to keep things and a time to throw things away.

⁷ There is a time to tear cloth and a time to sew it.

There is a time to be silent and a time to speak.

⁸ There is a time to love and a time to hate.

There is a time for war and a time for peace.

Think About It : God has provided everything we need to learn how to live a peaceful and happy life. Do you allow yourself to learn to do what and when to do it? Do you believe you know all you need to know now? Do you take the time to listen or are you talking so much that you cannot hear to learn new stuff?

Know When to Speak & Not Speak!

God always gives us a choice! Even at your age, God allows you to make good decisions or to do things that will wreck your life. It is your choice to seek wisdom – doing the right thing at the right time.

The one who has knowledge uses words with restraint and watches what he says. Having an understanding will help you to calm down and not get angry so easily and fearful so quickly. “The one who knows much says little; an understand person remains calm. Even dunces who keep quiet are thought to be wise; as long as they keep their mouths shut, they’re smart.” Proverbs 17:27-28

The Bible commends those who are able to keep the peace and listen.

However, the Bible discourages being quiet and not speaking up about what is right due to fear and shyness. Speaking out when it is the right time can lead to great things and can protect you and others.

Think About It: Was there a time when you knew you should have spoken up and didn't? What was the consequence of you not speaking up when you should have?

YOUR TURN

- Give examples of speaking when someone should not.
- Give examples of speaking up when someone is reluctant but should speak up.

Here's The Bottom Line!

Be Quick To Listen
Be Slow To Speak
Be Slow To Become Angry
