GACCS Men On A Mission provides group mentoring for boys, ages 5 – 17 years old, to teach principles for successful living. Our goal is to turn boys into godly men. The game of Chess is used to train boys to be focused, self-controlled and strategic, both in the game and daily life. Our general sessions are held once per month with lessons prepared to teach a specific principle followed up by chess club and fellowship. M.O.A.M also has special programs outside of the routine sessions. We invite you to participate in the upcoming event.
