

# "LET'S TALK ABOUT FAITH"

Hosted by **LINDA A. FUGGS,**

During this pandemic, we have had to rely and trust in Jesus like never before. I had made so many declarations in January 2020; but March 2020 ushered in COVID-19, and the world suddenly changed right before my very eyes. My life appeared to be turned upside down, whirling in a world filled with uncertainty. Instead of moving forward, I found myself quarantined and shackled to a house, running through grocery stores, dodging people, and wearing a mask like a bandit. My 2020 Vision Journal, which I had spent hours developing, no longer seemed to be relevant, let alone possible. This was definitely not a part of my 2020 plan. Then in my spirit, I heard the voice of my Pastor and remembered his words spoken on December 31, 2019, "This Year, we Shall Walk by **Faith**. We will be **Faith Walkers**. GEESH!

Scripture teaches us that, "**Faith** comes by hearing, and hearing by the Word of God," (**Romans 10:17**). During life's upheavals, like this pandemic, we must drench ourselves with the Word, so that we can clearly hear what God is saying and discern what is before us. Listening attentively, to discover a deeper **Faith** in Christ. Hence, the birth of this **30-Day Fall Faith Meditation and virtual 8 Week Walk of Faith Study and Discussion**.

**Together**, Let's take our "**mustard seed faith**," (**Matthew 17:20**) and explore a Deeper Faith in Christ. A Faith to speak to the Mountains of Life! A Faith that will give you strength to Act! A Faith that will cause you to Stand, "Above it All, No Matter What!" This discussion and study is not just for the "toddler," but also the "sprinter," in Faith. Let's share openly and safely, while gleaning from each other. **Let's Talk About Faith!**
