

*Sabrina & Jeffrey
Crews*

Jeffrey and Sabrina met on-the-job. Sabrina shared that she would always express how she would never date anyone "on the job", "and boy, did God have other plans for me", she stated.

They dated for two years prior to marriage and have now been married for 12 years. However, before they were joined in matrimony, Jeffrey attended one church, and Sabrina attended another. Since they were both involved in various ministries at their respective churches, they still found ways to be able to sometimes worship together.

One day, Sabrina was singing at her church, as her former Pastor provided the invitation for new membership, and/or Baptism, and Sabrina stated that she saw Jeffrey making his way down the aisle to become a member of her church. She stated that she was ecstatic knowing that they could finally attend one church together and be on one accord.

After approximately three years of Jeffrey becoming a member of Sabrina's church, he was approached, and was asked about becoming one of the Deacons of the church; he gracefully accepted the invitation.

Jeffrey and Sabrina, along with another Deacon and his spouse of their former Church, would visit the "sick and shut-in." They were instrumental in providing communion, scripture, prayers, and sharing in song to those who were not able to physically attend church. They were also granted "hospital clearances, and family clearances" as some of the patients were critically ill, and non-responsive. During these visits, they also prayed, read scripture, and sang songs. Whatever the situation, they wanted to be obedient, and do God's will.

In high school, Jeffrey assembled a Bible Study, and was the instructor to those students that were interested in having a relationship with God; he also shared the gospel with non-believers as well. During Sabrina's high school tenure, she was a voluntary tutor on the weekends to elder Pastors who had difficulty reading the Bible, and to other adults as well. They are both proud to be used as vessels in the Kingdom, and they are gratified whenever they can share the Gospel with anyone, at any time.

Dedicated to Seniors, Nursing Home Residents, Shut Ins & Their Care Takers

Upon joining GACCS, they have continued their Ministry, however, they've had to make some adjustments since they can no longer physically visit the convalescing or those that are hospitalized. They now carry out their ministry via YouTube, because as they've stated, "God's work is never done until He returns."

GACCS CrewSing with Compassion for Christ is dedicated to Seniors, Nursing Home Resident and Shut Ins with the sole purpose to bring God's Word, God's Love and His Compassion to remind all that regardless of this difficult season God has not changed. YouTube CrewSing provides a monthly Volume that provides encouragement, hope, laughter through the word, praise in song and dance, as well as humor for the lighter side of things.

Jeff and Sabrina understand that God has many soldiers that are fighting the good fight of faith trusting and believing in God and His Word. Encouragement is what we all need to *Stand Strong in the Lord and in the Power of His Might'* as we face the daily struggles of our daily tasks to take care of ourselves and others. Their motto is to put on the whole armor of God so that you can stand against the schemes of the enemy.

Christ encourages listeners to be thankful to God for His grace and mercy focusing on His Word. God has clearly stated that in Romans 8:28 (TPT) "So we are convinced that every detail of our lives is continually woven together for good, for we are his loves who have been called to fulfill his designed purpose".

We encourage you to remember that God Loves us and the "*Joy of the Lord is our Strength*". CrewSing with Compassion for
